THE ENGAGEMENT

SCOPE OF WORK — SESSION BY SESSION

FIVE SESSIONS · STRUCTURED DELIVERABLES

01–02 Killing Kin Rollout Plan

Build the full pre-launch rollout: what content goes up, on which platform, and in what sequence ahead of and through launch.

DELIVERABLE: WRITTEN ROLLOUT DOCUMENT, READY TO EXECUTE

03–04 Platform-Specific Cadence

Define posting cadence and content role for YouTube, TikTok, Instagram, and Facebook.

DELIVERABLE: WRITTEN CADENCE DOCUMENT, READY TO EXECUTE

05 Hannah Alignment

One session directly with Client's social media manager (Hannah) to walk through both documents produced in Sessions 1–4, so execution matches strategy. Day-one alignment only — does not include ongoing review or correction after this session.
